- There is a class action lawsuit called *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc. and McKesson Corporation*, Case No. 05-11148-PBS, pending in federal court in Boston, Massachusetts. This lawsuit concerns how brand-name drugs are priced.
- Prescription drugs often are priced using certain benchmarks. The most common pricing benchmark is called the Average Wholesale Price (“AWP”). The lawsuit claims that two Defendants, McKesson Corporation (“McKesson”), a large drug wholesaler, and First DataBank (“FDB”), a publisher of drug data, wrongfully inflated the mark-up factor used by FDB to determine the AWP for certain prescription drugs (“Subject Drugs”). A listing of the brand-name drugs is attached. For a more detailed list of the brand-name drugs, including drug name and description, NDC Code and manufacturer, go to www.McKessonAWPSettlement.com or www.AWPclassactions.com. The lawsuit claims that, as a result, many drug purchasers overpaid for these drugs. Both FDB and McKesson deny any wrongdoing.
- This Notice involves the Proposed Settlement with McKesson, which includes a Class of Cash Payors, defined as: “consumers who were (a) uninsured or underinsured at some period from August 1, 2001 through January 23, 2009, and (b) purchased any of the Subject Drugs at the uninsured or ‘cash’ price.”

GETTING MORE INFORMATION

BASIC INFORMATION

1. Why did I get this Notice?

You received this Notice because you are a consumer who may have purchased certain prescription drugs without insurance at the uninsured or “cash” price. You may also have requested this Notice after seeing the Summary Notice in a publication.

This Notice explains:

- What the lawsuit and Proposed Settlement are about.
- What the lawsuit claims and what McKesson says about the claims.
- Who is affected by the Proposed Settlement.
- Who represents the Class in the lawsuit.
- What your legal rights and choices are.
- How and by when you need to act.

2. What is the lawsuit about?

Prescription drug payments are often based on list prices, or benchmarks. The most common pricing benchmark is often called the Average Wholesale Price (“AWP”). Several companies, including First DataBank (“FDB”), publish the AWP of prescription drugs in printed and electronic databases. During the time period of this lawsuit, FDB often determined the AWP for many drugs by using a “mark-up factor.” The lawsuit claims that FDB and McKesson unlawfully conspired to inflate the mark-up factor, thereby wrongfully increasing the published AWP for many drugs. According to the lawsuit, this in turn increased the prices of the Subject Drugs for many drug purchasers. A listing of the brand-name drugs is attached. For a more detailed list of the brand-name drugs, including drug name and description, NDC Code and manufacturer, go to www.McKessonAWPSettlement.com or www.AWPclassactions.com. If you purchased any of these drugs at the cash price, the lawsuit claims that your payment was wrongfully increased.

McKesson denies any wrongdoing and is settling this lawsuit to avoid further litigation. This Proposed Settlement is distinct from the previous settlement with FDB.

3. Why is this a class action?

In a class action lawsuit, one or more people called “class representatives” sue on behalf of people who have similar claims. The people together are a “class” or “class members.” A court must determine if a lawsuit should proceed as a class action. If it does, a trial then decides the lawsuit for everyone in the class.

Sometimes, the parties may settle without a trial. The Parties here have agreed to a Proposed Settlement that includes a national class of insured consumers who paid a percentage co-pay towards the purchase of these drugs, a national class of uninsured consumers who paid the cash purchase price of the drugs, as well as a national class of Third Party Payors (“TPPs”) who reimbursed, or incurred obligations to reimburse for the drugs at issue.

4. Why is there a Proposed Settlement?

A settlement is an agreement between a plaintiff and a defendant following extended negotiation. Settlements conclude litigation but this does not mean that the court has ruled in favor of the plaintiff or the defendant. A settlement allows both parties to avoid the cost and risk of a trial and permits both parties to establish a just, fair and final resolution that is best for all involved. The class representatives and their attorneys decide that a settlement is the best result for all class members and the court is asked to approve the settlement as fair, reasonable and adequate.

If the Court approves the Proposed Settlement, then McKesson will no longer be legally responsible for the claims made in this lawsuit. The lawyers representing the Class (“Class Counsel”) and McKesson have engaged in extensive, arms-length negotiations regarding the issues presented in this lawsuit and the possible terms of a settlement. The Parties want to settle the claims in this lawsuit and Class Counsel believes the Proposed Settlement is fair, reasonable and adequate and in the best interests of the Class.

5. Who is a Class Member?

Generally, you are a member of the Cash Payor Settlement Class, if (1) you were an uninsured or underinsured individual and (2) paid the cash price of any of the drugs that are the subject of this lawsuit. Additionally, you must have made the purchase(s) between August 1, 2001 and January 23, 2009 (the date of the Court's preliminary approval of the Proposed Settlement Agreement).

There are a number of other people who are also not included in the Class. These people include:

- The Defendants and their present or former, direct and indirect, parents, subsidiaries, divisions, partners and affiliates; and
- The United States government, its officers, agents, agencies and departments; the States of the United States and their respective officers, agents, agencies and departments; and all other local governments and their officers, agents, agencies and departments.

6. How do I know if I am included in the Proposed Settlement?

Unless you exclude yourself, you are a member of the Class and will be included in the Proposed Settlement if: **You were uninsured or underinsured and paid the uninsured, or "cash" price of any of the drugs that are the subject of this lawsuit during the relevant time period.**

BENEFITS OF THE PROPOSED SETTLEMENT — WHAT YOU GET

7. What does the Proposed Settlement provide?

McKesson will pay \$350 million to settle the lawsuit, of which \$40,425,000 is to be set aside for the claims of Cash Payors. All costs associated with notice and administration, attorneys' fees and litigation costs, and compensation to the named class representatives for time spent providing documents and testimony in connection with this case will be paid from the \$350 million Settlement Amount. The Court must approve all aspects of this Proposed Settlement.

Under the Agreement, 82.52% of the net Settlement Amount will be designated to satisfy the claims of TPPs and 5.97% will satisfy consumers who paid percentage co-pays, and 11.52% will be designated for the purpose of paying cash payor claims.

8. How do I file a claim?

Attached to this Notice is a Claim Form. The Settlement Administrator will make a reasonable effort to determine if you have been affected by the settlement so that a check may be sent to you directly even if you do nothing. ***However, to be sure that your claim is considered, you should fill out the Claim Form and submit it to the Settlement Administrator, postmarked no later than July 9, 2009,*** and addressed to:

McKesson Settlement Administrator
c/o Rust Consulting, Inc.
P.O. Box 24607
West Palm Beach, FL 33416

As part of your claim, you must provide the backup information and certifications requested on the Claim Form.

9. How much will I get?

How much you receive from this Proposed Settlement depends on the volume and amount of claims submitted by other Class Members.

REMAINING IN THE CLASS

10. What happens if I do nothing and stay in the Class?

If you do nothing, you will be included in the Class. You will be bound by the terms and conditions of the Proposed Settlement. You will never be able to pursue any other lawsuit against McKesson concerning or related in any way to the claims alleged in this lawsuit.

If the Proposed Settlement is approved, the claims against McKesson will be completely “released.” This means that you cannot sue McKesson for money damages or other relief based on the claims in the lawsuit. Class Members agree to forever release all claims even if they later discover new facts about the claims in the lawsuit. This includes any claims whether known or unknown, suspected or unsuspected, contingent or non-contingent. All claims will be released forever whether or not the facts were concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

11. If I remain in the Class, what claims am I specifically giving up?

If the Proposed Settlement is approved, the claims against McKesson will be completely “released.” This means that you cannot sue McKesson for money damages or other relief based on the claims in the lawsuit or otherwise arising from its alleged involvement in setting AWP for brand drugs in the relevant period. Class Members agree to forever release all claims even if they later discover new facts about the claims in the lawsuit. This includes claims whether known or unknown, suspected or unsuspected, contingent or non-contingent. All claims will be released forever whether or not the facts were concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts. The release provides as follows:

The Released Parties shall be released and forever discharged by all Releasers from all Released Claims. All Releasers covenant and agree that they shall not hereafter seek to establish liability against any Released Party or any other person based, in whole or in part, on any of the Released Claims. Each Releaser expressly waives and fully, finally, and forever settles and releases any known or unknown, suspected or unsuspected, contingent or non-contingent Released Claims, including Unknown Claims, without regard to the subsequent discovery or existence of different or additional facts. Class Counsel acknowledges, and the Class Members shall be deemed by operation of law and the Judgment to acknowledge, that the foregoing waiver of Unknown Claims, and of the provisions, rights, and benefits of Section 1542 of the California Civil Code, was bargained for and is a key element of the Proposed Settlement of which the release in this paragraph is a part.

The “Released Claims” consist of:

any and all claims, demands, actions, suits, causes of action, damages whenever incurred whether compensatory or exemplary, liabilities of any nature or under any theory whatsoever, including Unknown Claims, as well as all costs, expenses, penalties and attorneys’ fees, in law or equity, that any Releaser who has not timely excluded himself, herself, or itself from the Private Payor Settlement Class, whether or not he, she, or it objects to the settlement, ever had or now has, directly, representatively, derivatively or in any capacity, arising out of any conduct, events or transactions relating to the use of, payment or reimbursement in any way based upon, collection, calculation, formulas, mark-up, determination, dissemination, publication of, and representations concerning, the AWP or BBAWP or similar data published or disseminated by First DataBank, Medi-Span, or any other publisher, electronically or otherwise, for any prescription pharmaceuticals, including, but not limited to, the allegations contained in or which could have been contained in the Class Action or the related case entitled *New England Carpenters Health Benefits Fund, et al. v. McKesson, Inc.*, Civil Action No. 1:07-CV-12277 (D. Mass.). Released Claims do not include claims against any manufacturer regarding pricing or marketing by the manufacturer or regarding AWP manipulation by the manufacturer.

12. What entities am I releasing?

The Released Entities include: McKesson Corporation, its parent companies, subsidiaries, and affiliates, and their past, present and future officers, directors, trustees, employees, agents, attorneys, shareholders, predecessors, successors and assigns.

EXCLUDING YOURSELF FROM THE PROPOSED SETTLEMENT

13. What do I do if I don’t want to be in the Proposed Settlement Class?

If you don’t want to be included in the Proposed Settlement and you want to keep the right to sue McKesson about the same claims on your own, you must take steps to get out of the Class. This is called excluding yourself. By excluding yourself, you keep the right to file your own lawsuit or join another lawsuit against McKesson about the claims in this lawsuit. If you exclude yourself from the Settlement Class, you will not be able to file a claim for money and you will not be in the Proposed Settlement.

14. How do I exclude myself from the Proposed Settlement?

If you wish to be excluded from the Class and the Proposed Settlement, you must send a letter signed by you that includes all of the following:

- Your name, address, and telephone number;
- The name and number of the lawsuit: *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc., et al.*, No. 1:05-CV-11148-PBS;
- If you have hired your own lawyer, the name, address, and telephone number of your lawyer; *and*
- A statement that you want to be excluded from the Class.

All exclusion letters must be mailed First-Class, **postmarked no later than June 8, 2009**, to:

McKesson Settlement Administrator
c/o Rust Consulting, Inc.
P.O. Box 24607

West Palm Beach, FL 33416

or by email to: info@McKessonAWPSettlement.com

Please remember that you cannot exclude yourself by phone.

OBJECTING TO OR COMMENTING ON THE PROPOSED SETTLEMENT

15. May I object to or comment on the Proposed Settlement?

Yes. If you have comments about, or disagree with, any part of the Proposed Settlement, including the requested attorneys' fees or the expense reimbursement plan, you may express your views to the Court through a written response to the Proposed Settlement.

The written response should include your name, address, telephone number and a brief explanation of your reasons for objection. The document **must** be signed to ensure the Court's review. The response must be filed with the Court on or before June 8, 2009 at the following address:

Clerk of Court
John Joseph Moakley U.S. Courthouse
1 Courthouse Way, Suite 2300
Boston, Massachusetts 02210

You must also serve a copy of any objection or comment on or before June 8, 2009 upon:

Lead Class Settlement Counsel

Seattle, WA 98101

Counsel for McKesson Corporation
Lori A. Schechter

San Francisco, CA 94105

In addition, your document must clearly state that it relates to Civil Action Number 1:05-CV-11148-PBS.

16. What is the difference between objecting to the Proposed Settlement and excluding myself from the Proposed Settlement?

You object to the Proposed Settlement when you wish to remain a Class Member and be subject to the Proposed Settlement but disagree with some aspect(s) of it. An objection allows your views to be heard in Court. In contrast, exclusion means that you are no longer a Class Member and ultimately do not want to be subject to the Proposed Settlement's terms and conditions. Once excluded, you lose any right to object to the Proposed Settlement or to the attorneys' fees because the case no longer affects you.

Yes. The Court has appointed the following law firms to represent you and other Class Members:

18. How will the lawyers be compensated?

The lawyers who were appointed by the Court to represent you in this lawsuit are called Class Counsel. You will not be charged personally for these lawyers, but they will ask the Court for an award of attorneys' fees, expenses and costs associated with the litigation not to exceed 30% of the Settlement Amount, plus interest, to be paid out of the \$350 million Settlement Amount. Class Counsel will also ask the Court to award a special payment to the named plaintiffs to compensate for the time spent prosecuting this case on behalf of the Class. More information about Class Counsel and their experience is available at the websites listed above.

19. Should I get my own lawyer?

You don't need to hire your own lawyer, but if you want your own lawyer to speak for you or appear in Court, you must file a Notice of Appearance (See Question 22 to find out how to submit a Notice of Appearance). If you hire a lawyer to appear for you in the lawsuit, you will have to pay for that lawyer on your own.

THE COURT'S FINAL APPROVAL HEARING

20. When and where will the Court decide on whether to grant final approval of the Proposed Settlement?

The Court will hold a Final Approval Hearing on July 23, 2009 at 2:00 p.m. to consider whether the Proposed Settlement is fair, reasonable, and adequate. At the Hearing, the Court will decide whether to approve the Proposed Settlement and the motion for attorneys' fees and expenses. If comments or objections have been received, the Court will consider them at this time.

Note: The Hearing may be postponed to a different date without additional notice. Updated information will be posted on the McKesson Settlement website at www.McKessonAWPSettlement.com or visit www.AWPclassactions.com.

21. Must I attend the Final Approval Hearing?

No. Attendance is not required, even if you properly mailed a written response. Class Counsel is prepared to answer the Court's questions on your behalf. If you or your personal attorney still want to attend the Hearing, you are more than welcome at your expense. However, it is not necessary that either of you attend. As long as your comment or objection is postmarked before the deadline, the Court will consider it, even if you or your attorney do not attend.

22. May I speak at the Final Approval Hearing?

Yes. You may speak at the Final Approval Hearing or hire your own lawyer to speak on your behalf. If you want your own lawyer to speak for you instead of Class Counsel at the Final Approval Hearing, you must give the Court a paper that is called a "Notice of Appearance." The Notice of Appearance should include the name and number of the lawsuit, and state that you wish to enter an appearance at the Final Approval Hearing. It also must include your name, address, telephone number, and signature as well as the name and address of your lawyer, if one is appearing for you. Your "Notice of Appearance" **must** be filed with the Court on or before **June 8, 2009**. You may not speak at the Hearing if you asked to be excluded from the Settlement Class.

The Notice of Appearance must be filed with the Court at the following address:

Clerk of Court
John Joseph Moakley U.S. Courthouse
1 Courthouse Way, Suite 2300
Boston, Massachusetts 02210

You must also serve a copy of the Notice of Appearance on or before **June 8, 2009** upon:
